**ATTENDANCE POLICY-ALL PROGRAMS**

This Institution requires that a student attend a minimum of 67% of the scheduled Instructional Hours.

**SATISFACTORY ACADEMIC PROGRESS POLICY (SAP)**

The Satisfactory Academic Progress Policy is consistently applied to all students enrolled at Western Barber Institute. It is printed in the catalog to ensure that all students receive a copy before enrollment.

Western Barber Institute, measures the pace of clock hours progress at the point when the student's scheduled clock hours have elapsed, regardless of when the student attended them.

**SAP EVALUATIONS PERIODS**

**EVALUATION PERIODS:** all students must comply with the Academic Probation and Dismissal Policy at the end of each evaluation period or term of the course.

**The student's first evaluation will occur no later than the mid-point of the course program.**

Evaluation points occur based on the total length of the program measured in clock hours, and corresponding to the academic year of each program. The academic year for each program is 900 clock hours. The student (as per contract) is scheduled to complete the hours shown below.

|                            |   |            |            |              |              |
|----------------------------|---|------------|------------|--------------|--------------|
| <b>Cosmetology</b>         | <b>At the point when the student is scheduled to complete</b> | <b>450</b> | <b>900</b> | <b>-----</b> | <b>-----</b> |
| <b>Barbering</b>           | <b>At the point when the student is scheduled to complete</b> | <b>450</b> | <b>900</b> | <b>-----</b> | <b>-----</b> |
| <b>Barbering Crossover</b> | <b>At the point when the student is scheduled to complete</b> | <b>100</b> | <b>200</b> | <b>-----</b> | <b>-----</b> |
| <b>Manicuring</b>          | <b>At the point when the student is scheduled to complete</b> | <b>200</b> | <b>400</b> | <b>-----</b> | <b>-----</b> |
| <b>Esthetician</b>         | <b>At the point when the student is scheduled to complete</b> | <b>300</b> | <b>600</b> | <b>-----</b> | <b>-----</b> |

**Transfer Students:** Midpoint of the contracted hours or established evaluation periods, whichever comes first. Students meeting the minimum requirements for attendance and academic progress at any evaluation point are considered to be making satisfactory progress until the next evaluation.

**\*ALL EVALUATIONS MUST BE COMPLETED WITHIN 7 BUSINESS DAYS FOLLOWING ESTABLISHED EVALUATION POINTS (PERIODS). All students receive a copy of their SAP report.**

**ATTENDANCE PROGRESS EVALUATIONS**

Students are required to attend a minimum of 67% of the hours possible based on the applicable attendance schedule in order to be considered to maintain satisfactory attendance progress. Evaluations are conducted at each evaluation point based on scheduled hours to determine if the student has met the minimum requirements. The attendance percentage is determined by dividing the total hours accrued by the total number of hours scheduled. For example: 350 (accrued hours) divided by 450 (scheduled hours) = 78%. At the end of each evaluation period, the school will determine if the student has maintained at least 67% cumulative attendance since the beginning of the course which indicates that, given the same attendance rate, the student will graduate within the maximum time frame allowed.

**MAXIMUM TIME FRAME**

The maximum time frame in which a student must complete the educational course, does not exceed 150% of the approved length of the education course based on a 67% attendance schedule, measured in clock hours completed. This will be allowed students to complete each course and avoid withdrawal from school. No student will be allowed to go over the maximum time frame. A leave of absence will extend the contract period and the maximum time frame by the same number of days taken in the leave of absence.

**\*Note-** A student's contracted time may vary according to their status (full or part-time).

|                            | <b>MAXIMUM WEEKS</b> | <b>MAXIMUM SCHEDULED HOURS:</b> |
|----------------------------|----------------------|---------------------------------|
| <b>Cosmetology</b>         | <b>34-50 weeks</b>   | <b>1500 HOURS</b>               |
| <b>Barbering</b>           | <b>34-50 weeks</b>   | <b>1500 HOURS</b>               |
| <b>Barbering Crossover</b> | <b>13-20 weeks</b>   | <b>300 HOURS</b>                |
| <b>Manicuring</b>          | <b>13-25 weeks</b>   | <b>600 HOURS</b>                |
| <b>Esthetician</b>         | <b>20-25 weeks</b>   | <b>900 HOURS</b>                |

**GRADING PROCEDURES**

The qualitative element used to determine academic progress is a reasonable system of grades as determined by assigned academic learning. Students are assigned academic learning and a minimum number of practical experiences. Academic learning is evaluated after each unit of study. Practical assignments are evaluated as completed and counted toward course completion only when rated as satisfactory or better. If the performance does not meet satisfactory requirements, it is not counted and the

performance must be repeated. At least two comprehensive practical skills evaluations will be conducted during the course of the study. Practical skills are evaluated according to text procedures and set forth in practical skills evaluation criteria adopted by the school. Students must maintain a written grade average of 70%. **Students must make up for failed or missed tests and incomplete assignments.** Numerical grades are considered according to the following scale:

### **ACADEMIC AND PRACTICAL GRADING SCALE**

| <u>% PERCENTAGE</u> | <u>LETTER GRADE</u> | <u>DEFINITION</u> |
|---------------------|---------------------|-------------------|
| 90-100              | A                   | EXCELLENT         |
| 80-89               | B                   | GOOD              |
| 70-79               | C                   | AVERAGE           |
| 69-below            | D                   | UNSATISFACTORY    |

#### **DETERMINATION OF PROGRESS STATUS**

Students meeting the minimum requirements for academics and attendance at the evaluation point are considered to be making satisfactory academic progress until the next scheduled evaluation. Students will receive a hard copy of their Satisfactory Academic Progress Determination at the time of each of the evaluations. Students deemed not maintaining Satisfactory Academic Progress will be placed on Warning.

#### **ACADEMIC PROBATION AND DISMISSAL POLICIES**

The School Director may place a student on academic **Warning** if the student is not making satisfactory academic progress as per this Institution's published Policy. Students are evaluated on a regular basis on theory, practical and clinical work. The evaluations are measured on a standard percentile basis and the percentage equated to a letter grade. The evaluation form reflects the overall attendance and academic progress of the student. Students must maintain a "C" (70%) average to maintain satisfactory academic status. If the student falls below 70% in academic and/or 67% in attendance the student will be placed on academic Warning. The student under an academic warning will have one additional term to bring up or to exceed the minimum standard of the Institution. If the student has still not met the progress requirement at the end of the warning period, the student will be considered not making satisfactory academic progress. At this point, the student will have the option to appeal and request to be placed on probation. In order for the student to be placed on probation, the student **MUST APPEL** the satisfactory academic progress decision within the next 15 days and prevail upon appeal. If at the end of the probation period, the student has not met progress requirements the student will be dismissed from the program.

#### **APPEAL PROCEDURE**

If a student is determined to not be making satisfactory academic progress, the student may appeal the determination within ten calendar days. Reasons for which students may appeal a negative progress determination include the death of a relative, an injury or illness of the student, or any other allowable special or mitigating circumstance. The student must submit a written appeal to the school on the designated form describing why they failed to meet satisfactory academic progress standards, along with supporting documentation of the reasons why the determination should be reversed. This information should include what has changed about the student's situation that will allow them to achieve Satisfactory Academic Progress by the next evaluation point. Appeal documents will be reviewed and a decision will be made and reported to the student within 5 business days. The appeal and decision documents will be retained in the student file. If the student prevails upon appeal, the satisfactory academic progress determination will be reversed and federal financial aid will be reinstated, if applicable.

**RE-ESTABLISHMENT OF SATISFACTORY ACADEMIC PROGRESS:** Students may re-establish satisfactory academic progress by meeting minimum attendance and academic requirements by the end of the warning or probationary period.

#### **TERMINATION**

A Student will receive a written termination notice from the registrar's office if she/he fails to meet attendance/Academic requirements at the end of the probationary period.

**RE-ENTERING:** Students accepted for re-entering into the program of study, will be placed under the same satisfactory progress status prevailing at the time of the prior withdrawal.

#### **NONCREDIT, REMEDIAL COURSES, REPETITIONS:**

Course incompleteness, repetition, and non-credit remedial course are not applicable to this institution's form of instruction. Therefore, these items have no effect on the school's satisfactory academic progress standards.

**TRANSFER HOURS:** With regard to Satisfactory Academic Progress, a student's transfer hours will be counted as both attempted and earned hours for the purpose of determining when the allowable maximum time frame has been exhausted. SAP evaluation periods are based on actual contracted hours at the institution.

**LEAVE OF ABSENCE POLICY**

The following Leave of Absence Rules apply to **all** students enrolled.

Occasionally, students may experience extended personal, medical, or other problems, which make it difficult to attend classes. The institution may allow a student under such circumstances to take a Leave of Absence (LOA) from the program. LOA must be requested in writing by the student and must be approved by the school administration. The written request must include the reason for the LOA and the **start** and end date of the leave of absence, this request needs to be signed by the student unless the student experienced any unforeseen circumstances. Leaves of Absence may be granted for up to 180 days. The student will not be granted an LOA if the LOA, together with any additional LOAs previously granted exceeds a total of 180 days in any 12-month period. The Institution will document the reason for its decision to approve the LOA. Students will not be assessed additional tuition charges while on their Leave of absence and the student's enrollment agreement will be extended for the same days as the leave of absence taken before the start of the leave of absence. A student granted a LOA that meets these criteria is not considered to have withdrawn, and no refund calculation will be required. Students **Returning** from an authorized LOA will retain all credit for clock hours and work projects completed and will return to the academic progress status they held. Students who fail to return from a LOA or take an unapproved LOA will be withdrawn. The student's withdrawal date for the purpose of calculating a refund will be the student's last day of attendance, or the day the student notifies the school that he/she will not be returning. Students must be reasonably certain of their intent to return. Once the student returns from an approved leave of absence the institution will extend the student's maximum time frame and the contract period by the same number of days taken in the LOA. Changes to the contract period on the enrollment agreement must be initialed by all parties and an addendum must be signed and dated by all parties. The student will be given a copy of the leave of absence request and return date, and the contract addendum.

The institution may grant an LOA to a student who did not provide the request before the LOA due to unforeseen circumstances. In this situation, the beginning date of the approved LOA would be the first date the student was unable to attend the institution due to unexpected circumstances. The Institution will collect the request from the student at a later date and will have the student sign the LOA form.

**STRF DISCLOSURE**

**"76215 (a)(b) Student Tuition Recovery Fund Disclosures.**

"The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the

obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition. You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program."

"It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to the **Bureau for Private Postsecondary Education, 1747 North Market, Suite 225, Sacramento, CA 95833, (916) 431-6959 or (888) 370-7589.**

To be eligible for STRF, you must be a California resident or are enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following:

1. The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau.
2. You were enrolled at an institution or a location of the institution within the 120-day period before the closure of the institution or location of the institution or were enrolled in an educational program within the 1120-day period before the program was discontinued.
3. You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.
4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.
5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.
6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution.
7. You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans.

To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF.

A student whose loan is revived by a loan holder or debt collector after a period of noncollecting may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law.

However, no claim can be paid to any student without a social security number or a taxpayer identification number."

## **GRADING PROCEDURES AND STANDARDS FOR STUDENT ACHIEVEMENT**

The qualitative element used to determine academic progress is a reasonable system of grades as determined by assigned academic learning. Students are assigned academic learning and a minimum number of practical experiences. Academic learning is evaluated after each unit of study. Practical assignments are evaluated as completed and counted toward course completion only when rated as satisfactory or better. If the performance does not meet satisfactory requirements, it is not counted and the performance must be repeated. At least two comprehensive practical skills evaluations will be conducted during the course of the study. Practical skills are evaluated according to text procedures and outlined in practical skills evaluation criteria adopted by the school. Students must maintain a written grade average of 70%. **Students must make up for failed or missed tests and incomplete assignments.** Numerical grades are considered according to the following scale:

### **ACADEMIC AND PRACTICAL GRADING SCALE**

| <b><u>% PERCENTAGE</u></b> | <b><u>LETTER GRADE</u></b> | <b><u>DEFINITION</u></b> |
|----------------------------|----------------------------|--------------------------|
| 90-100                     | A                          | EXCELLENT                |
| 80-89                      | B                          | GOOD                     |

## **DESCRIPTION OF THE FACILITIES & EQUIPMENT**

**WESTERN BARBER INSTITUTE** facility consists of a 5,483 sq. ft. air-conditioned building, which offers separate classrooms, and 'on campus' administrative and admissions offices. The Facility includes a freshmen classroom for lectures, demonstrations, and practice. The facility has a large floor space and extensive amenities for students enrolled in each program offered. All this will help our students "learn by doing" or "hands-on training", with modern equipment and a variety of supplies that help enhance the student's product knowledge. Students also learn reception desk skills, such as answering the telephone and operating the cash register as a required part of their training and to prepare them for this aspect of salon activity. Our objective is to help the student become "salon-ready".

In addition to our pleasant laboratory environment, the school provides the student with lockers, individual workstations, and a student lounge for the students' use with eating and rest areas. Other educational and supportive features include a student library, testing room, and three restrooms. All classes are held at the following locations. **18442 Sherman Way Reseda CA 91335**
